BX/BR Child Dependent Health Premium Benefit Program

The University of California’s Graduate Student Researchers (GSRs or BR) and Academic Student Employees (ASEs or BX) represented by the United Auto Workers (UAW) are eligible for a reimbursement for their child dependent(s) medical insurance premiums through a program referenced in the BX and BR collective bargaining agreements and a recent settlement agreement between the UC and the UAW.

Program Overview

GSRs and ASEs employed in a qualifying appointment(s) are eligible to receive 100% premium reimbursement for child dependents enrolled in UCSHIP if the GSR/ASE’s income exceeds the designated Medi-Cal eligibility threshold as specified in the collective bargaining agreements.

If the GSR/ASE has a spouse, and the combination of their income places the GSR/ASE’s family over the designated Medi-Cal eligibility threshold then the GSR/ASE is not eligible for reimbursement of the child dependent premium.

The benefits described in this document follow the parties’ collective bargaining agreements (CBAs) and a recent settlement agreement.

Eligibility

For this program, eligibility is as follows:

1. The GSR/ASE is eligible to receive a reimbursement of the child dependent(s) medical insurance premium.

2. Under the CBAs through a GSR/ASE appointment or through a combination of GSR and ASE appointments. In cases where a student holds more than one eligible appointment, the request should be processed through the department where the higher appointment percentage exists.

3. The GSR/ASE is a registered graduate student with GSR/ASE appointment(s) totaling 25% or more of full-time for a given term in a State-supported or Self-Supporting Program.

4. The GSR/ASE’s income exceeds the designated Medi-Cal eligibility threshold.
   a. If the GSR/ASE has a spouse, and the combination of their income places the GSR/ASE’s family over the designated Medi-Cal eligibility threshold then the GSR/ASE is not eligible for reimbursement.
   b. Information about Medi-Cal eligibility can be found here: https://www.dhcs.ca.gov/services/medi-cal/Pages/DoYouQualifyForMedi-cal.aspx

5. The GSR/ASE enrolls eligible child dependents in UCSHIP. Eligible child dependents are defined by UCSHIP plan regulations.
**Process for Reimbursement**

1) For the ASE/GSR:

During the quarter of eligibility, the GSR/ASE will complete the **Child Dependent Health Insurance Attestation Form** and submit to the Hiring Department’s Personnel Officer along with proof of UC SHIP enrollment for their child dependent(s).

Reimbursement requests must be submitted after the expenses are incurred. Reimbursement requests should be submitted to the Hiring Department no later than the last day of the following quarter. For those GSR/ASEs who incurred the cost of the premium during the period of January 1, 2023 until January 29, 2024, and have not received a reimbursement, must submit the attestation form and proof of UC SHIP enrollment for their child dependent(s) by February 28, 2024.

**NOTE:** Dependent enrollment or re-enrollment in the UC SHIP plan is not automatic. Eligible dependents must be re-enrolled in each subsequent quarter in order to continue coverage under the dependent plan. A new **Child Dependent Health Insurance Attestation Form** must be submitted to request reimbursement for each quarter of eligibility.

2) For the Hiring Department

Once a reimbursement request is received, the Hiring Department’s Personnel Officer will certify that the form is complete, that the employee has/ had an appropriate appointment, and that the proof of child dependent enrollment is attached.

The Hiring Department will initiate a One-Time Payment request in UCPath with the **earnings code:** NTF – Non-Taxable Fringe.

The reimbursement will be paid out in the way that the employee normally receives pay, i.e. by check or electronic deposit. If the reimbursement is processed after the employee no longer has an active appointment, a paper check will be issued to the last known address in UCPath. Employees are solely responsible for updating their personal information, including the mailing address, in UCPath via Employee Actions.

**NOTE:** The ASE/GSR appointment must be active in UCPath to process the One-Time Payment Request. If the Hiring Department is submitting the request under a different position in UCPath, please make sure to specify the eligible appointment title, FTE%, and quarter of appointment in the initiator’s comments section on the On-Time Payment request. Please contact AP-Path@ucsb.edu if the qualifying employee does not have an active appointment in UCPATH at the time of the request.
