Re: Unit 18 Lecturer (IX) Contract Implementation Training

As announced in a memo dated December 7, 2021, the bargaining unit members ratified the November 17 tentative agreement between the University and the UC-AFT.

The Academic Personnel Office will be providing contract implementation training to familiarize departmental staff with the new contract and the resulting significant changes in policy and procedure.

Departmental staff who manage Unit 18 Lecturers are strongly encouraged to attend. Please forward this message to departmental staff who work with these titles.

Major changes include longer-term initial and renewed appointments, formalized review processes, pay increases, changes to workload transparency, four weeks of PFCB eligibility and more.

Two sessions will be available for contract implementation training:

Thursday, Feb 10, 2022 at 8:30—11:00am

or

Wednesday, Feb 16, 2022 at 1:30 – 4:00pm

Please register for one of the sessions at the Academic Personnel website under Training and Workshops, or link directly to <https://ap.ucsb.edu/~staff.training.registration/>

Zoom information will be sent to registrants at a later date.
