Re: PPS freeze lifted: Lecturers and STE

Colleagues,

Processing for the January 1, 2014 salary adjustment for Lecturers and Supervisors of Teacher Education is complete and the PPS freeze is now over.

The new salary scales, Tables 16, 17, and 32, have been posted to the Academic Personnel web site under "UCSB salary scales" at: <https://ap.ucsb.edu/>. The new rates should be used effective immediately.

Departments are encouraged to verify the salaries of employees using data warehouse or PPS.

Please direct any questions related to the salary increase to Cindy Doherty at [cindy.doherty@ucsb.edu](mailto:cindy.doherty@ucsb.edu).
