Re: New Postdoctoral Scholar Salary Scale

In accordance with Article: 4, Compensation, of the UC-UAW Postdoctoral Scholars MOU, the Postdoctoral Scholar salary scale is tied to the NIH stipend levels. On January 20, 2016, the NIH announced its new stipend levels. The new UC salary scale takes effect February 1, 2016.

New appointees February 1, 2016 or later must be appointed using the new scale. For current Postdoctoral Scholars, the salary must move to the new scale at the time of reappointment, or on the anniversary date for Postdoctoral Scholars with multiple year appointments.

The revised salary scale is available on the Academic Personnel web site under the Salary Scales tab, or directly at
