Re: Dean's Authority case deadlines

The September 2021 Red Binder updates included changes which expanded Dean's Authority merit reviews ([Red Binder I-30](#)). In order to minimize disruptions to case processing timelines, departments with cases affected by the earlier Dean's Authority case deadline may follow the Expanded Case deadline of December 13, 2021.

For your reference, the 2021-22 eligibility cycle notice may be found here:
