Re: Academic Student Employee (ASE) Contract Training

Human Resources and Academic Personnel are offering a two-hour training to review the newly ratified UC-UAW ASE (BX) union contract. At UCSB to contract covers TAs, Associates, Readers and Remedial Tutors. We are offering two separate, identical training sessions on the following dates/times:

Wednesday, November 7th 9am-11am

Wednesday, November 14th 1:30-3:30

A new UC-UAW bargaining agreement was recently signed and will be in effect until 2022. The sessions will cover what is new or has changed in this newly signed agreement. There will also be time for general questions regarding student employment. Please note that this is not a UCPath session. The training sessions are open to all department managers/supervisors and other administrative staff who routinely implement the terms of the UAW ASE union contract. Please forward this announcement to others in your department who may be interested in the training. Both sessions will be held in the Human Resources' Learning Center (3101 SAASB).

Advanced registration is required. Please log on to the UCSB Learning Center at <https://www.learningcenter.ucsb.edu/> and search key word "ASE Contract Training" to sign up. Questions may be directed to Jessica Graham at Jessica.graham@hr.ucsb.edu
