**Re:** Unit 18 Lecturers IX Workshop

As you are aware, the collective bargaining agreement ratified in late 2021 for Unit 18 Lecturers resulted in significant changes in policy and procedure for non-senate faculty. The campus continues to implement the provisions in the IX contract, and has now progressed through the period affected by the 2022-23 Transition Plan. In recognition of continuing challenges and opportunities for process improvement, and to offer an opportunity for further discussion between departments and central offices, the Academic Personnel office is hosting a workshop later this month which will focus on Unit 18 matters.

The session will be available as follows:

- **Wed, November 29 from 9am-11am via Zoom**

Please register for this session at the Academic Personnel website at the Training and Workshops page <https://ap.ucsb.edu/~staff.training.registration> under **Non-Certificate Workshops ~ Teaching Titles Workshop**

Zoom information will be sent to registrants at a later date. Department Chairs and faculty may also register at the link above.

Please note that this session will not be recorded.

If you have questions about this training session, please contact Helly Kwee, [helly.kwee@ucsb.edu](mailto:helly.kwee@ucsb.edu).
