Re: New Postdoctoral Scholar salary scales

In accordance with Article: 4, Compensation, of the UC-UAW Postdoctoral Scholars MOU, the Postdoctoral Scholar salary scale is tied to the NIH stipend levels. On February 10, 2014, the NIH announced its new stipend levels. The new UC salary scales are to take effect March 1, 2014.

New appointees March 1, 2014 or later must be appointed using the new scale. For current Postdoctoral Scholars, the salary will move to the new scale at the time of reappointed, or on the anniversary date for those Postdoctoral Scholars with multiple year appointments.

The revised salary scale is available on the Academic Personnel web site at <https://ap.ucsb.edu/compensation.and.benefits/ucsb.salary.scales/2013.14/>
