Re: Communications regarding UCPATH

As our campus moves closer to the September 2018 implementation of UCPATH, I write to ask for your assistance in facilitation communication with your academic employees. In particular, I would like to draw your attention to the first issue of the Pathfinder Newsletter that was recently distributed via the dlist (and follows below.) If your department does not routinely forward dlist items to faculty and other academic employees, please consider making special arrangements to forward the Pathfinder Newsletters to these employee groups. I appreciate your efforts in helping the campus move towards a successful implantation of UCPATH.

Re: **February Pathfinder Newsletter: UCPATH to Go Live at UCSB
September 2018**

The Pathfinder Newsletter is your resource for information about the systemwide UCPATH project at UCSB. Newsletters will be distributed via email, via campus mail, and posted on the UCPATH website here: [<http://www.ucpath.ucsb.edu/ucpath-ucsb/communications/pathfinder-newsletter>]

UCSB's target go-live date for UCPATH is September 2018. The UCPATH project affects every UCSB employee. Everyone has a role to play in a successful deployment.

In this issue of Pathfinder, you will find the answers to questions such as:

- What is UCPATH?
- Why is UCPATH a priority for the UC system?
- How can you prepare?

...and more!

Read the newsletter here: [<http://www.ucpath.ucsb.edu/ucpath-ucsb/communications/pathfinder-newsletter>]
