Re: New Postdoctoral Scholar salary scale

In accordance with Article: 4, Compensation, of the UC-UAW Postdoctoral Scholars MOU, the Postdoctoral Scholar salary scale is tied to the NIH stipend levels. On April 15, 2022, the NIH announced its fiscal year 2022 Ruth L. Kirschstein National Research Service Award (NRSA) stipend levels for Postdoctoral Scholars.

The new UC salary scale takes effect **May 1, 2022** for exempt Postdoctoral Scholars and **April 17, 2022**, for non-exempt Postdoctoral Scholars.

New appointees on or after the effective dates must be appointed using the new scale. For current Postdoctoral Scholars, the salary must move to the new scale at the time of reappointment, or on the anniversary date for Postdoctoral Scholars with multiple year appointments.

The revised salary scales (Tables 23 and 23N) are available on the Academic Personnel web site under the [Salary Scales](#) tab.
