Re: July 1, 2014 Salary increase program for Faculty and other Academic employees

As Chancellor Henry Yang announced in his memo of March 27, the UC Board of Regents has approved a salary increase for faculty and other academic employees. The three-percent increase for faculty and other academic employees will be effective July 1, 2014, and will appear in the August 1, 2014 paycheck. All non-represented faculty and other academic appointees are eligible for the increase. Both the on-scale and off-scale components of salary will be subject to the salary increase. Lecturers and Supervisors of Teacher Education, pursuant to the terms of their contract, will receive a three-percent increase as of July 1, 2014. Represented Librarians will transition to a new salary structure in lieu of the 3% adjustment. The July 1, 2014 salary scales are available at <https://ap.ucsb.edu/compensation.and.benefits/ucsb.salary.scales>

Further details of the application and implementation of the range are attached. Please note that the increase will be processed centrally. In preparation for the processing, Departments are encouraged to enter all July 1, 2014 actions into PPS by June 30, 2014. Questions may be directed as follows:

Temporary research series increases
