Re: Systemwide Review of Proposed Academic Personnel Manual (APM)
revisions: Section 230, Visiting Appointments

The Office of the President invites comments on proposed revisions to the APM 230, Visiting Appointments. The proposal is available for Systemwide Review. Systemwide Review is a public review by the general University community, affected employees and unions. Systemwide Review also includes a mandatory, three-month full Senate review.

Proposed revisions reflect changes made to comply with a stipulated agreement between the University of California and the UAW in recognition of the Researchers-Academic Unit ("RA Unit") formation. **The revisions modify the criteria for use of the Visiting prefix with the Researcher and Project Scientist series titles and introduces the use of the Visiting prefix with the Specialist series.**

The proposal, as well as additional supporting documentation, is available on the UCOP Academic Personnel and Programs website under Academic Personnel Policy, Systemwide review: <https://www.ucop.edu/academic-personnel-programs/academic-personnel-policy/policies-under-review/apm-230.html>
