Re: ASE range adjustment October 1, 2014

Colleagues:

Based on contractual obligations, a 5% range adjustment for Academic Student Employees (ASEs) will be effective October 1, 2014 for individuals in the following titles:

Teaching Assistant
Associate
Reader
Remedial Tutor

The October 1, 2014 salary scales are now available via the Academic Personnel web site at <https://ap.ucsb.edu/compensation.and.benefits/ucsb.salary.scales/2014.15/>

The new rates may be used immediately. Appointments already entered into PPS using the pre-October 1, 2014 rates may be updated manually by the department or may be left as is. A central PPS adjustment will be run prior to October 1 to update any pre-October 1, 2014 rates. Business Officers and PPS users will be notified prior the central adjustment.

Please direct any questions regarding the range adjustment to my attention at the e-mail address below

Thank you.
