Re: Academic Personnel training opportunities

The Academic Personnel office's 2022-23 training offerings are underway. The following certificate classes may be taken as part of the Academic Personnel Certificate Program or on an individual basis and are intended for **staff without previous experience with the class topic or who would like to enroll for a refresher.**

- Introduction to Academic Personnel
- Faculty Primer
- Senate Faculty Appointments
- Academic Recruitments
- Research Titles
- Postdoctoral Scholars
- Teaching Titles
- Senate Faculty Advancements
- Student Titles
- Academic Leaves
- Additional Compensation

I encourage you to make these training opportunities available to your staff who may be interested in learning more about Academic Personnel.

In addition, a parallel series of advanced workshops will be offered **for staff currently doing work related to the specific topics.** These workshops are designed to provide an opportunity to discuss best practices and problematic situations related to various types of academic employees and processes. They are also designed to provide relevant updates to policy and procedure. The format will be a brief presentation followed by discussion time. Participants are encouraged to bring questions or examples of complicated scenarios and issues.

Please note: It is expected that departmental staff who work with AP matters attend these workshops *every year* to keep their knowledge of policies and procedures current.

To register for classes, please go to the Academic Personnel web site under *Training and Workshops*, or link directly to: <https://ap.ucsb.edu/~staff.training.registration/>
