I. Definition

The Visiting prefix is used to designate one who:

1. Is appointed temporarily to perform the duties of the title to which the prefix is attached; and
2. Either has held, is on leave from, or is retired from an academic or research position at another educational institution; or whose research, creative activities or professional achievement makes a visiting appointment appropriate.

See APM 230 for System Wide policy on Visiting titles.

II. Appointment Criteria

The Visiting prefix may be used with titles in the Professional Research series or the Project Scientist series. When the title with the Visiting prefix is assigned to an individual on leave or retired from another institution, the title will usually be the same as the individual's title at the home educational institution.

The criteria for evaluation shall be the same as for the corresponding regular title. Because the appointment is temporary, reasonable flexibility may be employed in the application of these criteria. Care should be taken to inform the appointee of the provisions of IV below.

III. Term of Appointment

Each appointment or reappointment with a Visiting prefix shall not exceed one year. The total period of consecutive service shall not exceed two years.

If the appointee is later considered for transfer to a corresponding appointment in the regular series, the proposal for such transfer shall be treated as a new appointment subject to full customary review.

IV. Compensation

Appointments will normally be paid, but may be made on a without salary basis in limited circumstances. For paid appointments the salary for a visiting position is negotiated. While the salary does not have to be on-scale on the corresponding regular series scale, the salary may not be below the minimum rate for the rank. For example, a Visiting Researcher may not be paid below the Researcher Step I rate. Because these salaries are negotiated on an individual basis, they are not subject to range adjustments. For travel expense reimbursement, see APM 230-20h.

When an individual is paid an academic-year salary at their home institution and a visiting researcher appointment is proposed, the following formula is used to convert the salary:

Salary at home institution × 1.16 = salary for fiscal-year visiting appointment

Without salary appointments may be appropriate when an individual is visiting UCSB but is being funded through either their home institution or some other external agency.

V. Appointment process

Requests for appointment in the Visiting Researcher series or Visiting Project Scientist series should be prepared using the Visiting (Researcher and Project Scientist) Appointment Form. A UCSB Biography form and a CV must also be submitted.

VI. Restrictions
Neither tenure nor security of employment is acquired, although eligible service as a Visiting Assistant Researcher will count towards the University's eight-year limit (APM 133).
