Postdoctoral Scholar – Paid Direct (title code 3254)

If your fellowship award or external funding source provides an institutional allowance, research allowance or funding for the cost of health benefits, the University may deduct (if the allowance is administered by the university) or bill you (if the award is given directly to you) for the cost of the university portion of the benefits premiums.

Notice of such deduction or billing will be provided to you no later than 30 days prior to the deduction or billing. If the allowance is managed by the university, you have the right to request and receive a copy of your budget from your mentor or department financial administrator.

There may be imputed income/tax implications for insurance premiums paid on your behalf.
