Service limitations and Appointment lengths

For all series, six months or more of service, with or without salary, in any fiscal year counts as one full year of service for advancement eligibility purposes.

Initial appointments and reappointments prior to the effective date of the first advancement review for represented employees must be for a minimum of one-year, unless a shorter term may be justified based on the work, funding, or programmatic need. Reappointments for represented employees before following the first advancement review must be for a minimum of one-year terms. Reappointments for represented employees following the first advancement review must be for a minimum of the normative time at rank and step.

Junior Specialists may not be appointed at this rank for more than three years.

For non-represented employees, appointments or reappointments are normally made for one year at a time.

All appointments are term appointments with a stated end date.

Appointees in research series may be placed on Short Work Break in accord with Red Binder VI-18 and the MOU.

No further notice of non-reappointment is necessary for appointments at less than 50% for any period of time, or for appointment of less than eight consecutive years in the same title or series.

Notice of non-reappointment must be given if the employee has served at 50% or more for eight or more consecutive years in the same title or series (APM 137-30) and Articles 21, 22, and 26 of the MOU. Written Notice of Intent not to reappoint must be given at least 60 days prior to the appointment's specified end date. The notice must state (1) the intended non-reappointment and the proposed effective date; (2) the basis for non-reappointment including copies of any supporting documentation; and (3) the employees right to respond within 14 days and the name of the person to whom they should respond. Within 30 days of the Notice of Intent, and after review of any response, the University will issue a written Notice of Action to the employee. Pay in lieu of notice may be given.

Recall appointments in any temporary research title may not exceed 43% time, alone or in combination with other recall appointments. Appointments are requested using the [Academic Recall Appointment Form](#). Recall appointments are to be entered into UCPATH using the Recall Non-Faculty Academic title (3802 or 3812).

Titles not specifically discussed in the Red Binder may not be used without prior approval by the Academic Personnel Office and will be subject to campus practice and APM policy.
