Major changes

Sabbatical:
Campus practice of “Educational Leave” becomes Sabbatical (with no loss of accrued credits)

Service as Unit 18 Lecturer does not count towards Lecturer PSOE service

Compensation model (ranks/steps) based on Professorial model
• Very similar to our long-standing campus practices

Revised criteria for evaluation:
Professional Achievement and Activity becomes:
Professional and/or Scholarly Achievement and Activity

Working title: Teaching Professor
Changes already in place

• Educational Leave ➔ Sabbatical
  • Use AP Folio as the official record of sabbatical balances
  • UCPath not yet transitioned from Educational (“in lieu of”) to “sabbatical” so may show errors. Reconciliation will be done at some point in the future
  • No departmental action necessary

• Prior service as Lecturer for PSOE appointees
  • Outreach to impacted individuals already took place
  • Important to remember if current recruitments for PSOE
  • No departmental action necessary
Compensation model

**Current**
- Ranks but no steps
- All on the same scale
- No acting titles

**New**
- Addition of steps (same as Professorial scale)
- Addition of B/E/E scale with new job codes:
  - 1686 Sr. Lecturer SOE- BEE
  - 1687 Lecturer SOE- BEE

Transition process

• Placement will be based on status as of July 1, 2019 following finalization of July 1, 2019 personnel actions.
• All appointees will remain at the same rank; Lecturer PSOE, Lecturer SOE, or Sr. Lecturer SOE
• Salaries will not change other than rounding to the 100s. In no case will a salary be decreased.
• Step will be based on past advancement history at rank. For example, an individual promoted to Lecturer SOE effective 7/1/18 will transition to Lecturer SOE step I.
• The next eligible date for review will remain unchanged.
Transition process

- Placement on the scale will be reviewed by Deans and CAP, with the Associate Vice Chancellor for Academic Personnel making the final decision. [March-April]

- Appointees and departments will be notified of their July 1, 2019 rank and step as soon as possible once the final decisions are made. [May-July]

- The scale placement decision may be appealed by the candidate and/or department chair via the Dean. Appeals must be submitted within 60 calendar days of notification of the placement decision. The Associate Vice Chancellor for Academic Personnel will make the final decision on the appeal.

• Will be processed centrally

• Expect to see changes in UCPath and AP Folio after July 1

• And/or not a requirement of both
More about criteria

Everyone transitions to new scale 7/1 but transition to new criteria may be delayed.

Draft RB I-75 for language regarding Professional and/or Scholarly Achievement and Activity
Transition to new criteria

• Cases currently under review for 7/1/19- no change

• In April 2019, all SOE series appointees will be asked to elect to be evaluated by the new criteria, or to remain under the old criteria and delay their decision by one year. Individuals being reviewed for advancement effective July 1, 2020 will be reviewed based on the criteria selected.

• In April 2020, April 2021, all SOE series appointees who have not yet transitioned to the new criteria will be asked to elect to be evaluated by the new criteria, or remain under the old criteria and delay their decision by one year.

• In April 2022, any SOE series appointees who remain under the old criteria will be transitioned to the new criteria, for reviews effective July 1, 2023. A campus process for exceptions to this deadline (permanent grandfathering) will be established prior to April 2022.

• The decision to move to the new criteria is irrevocable.

• Use of either the old or new criteria may not in and of itself be used as the basis for reconsideration of a final advancement decision.
